

JABBERWOCKY

EXERCISES

Q1. Answer the following

1. Describe the Jabberwock as described in the poem.

Ans. The Jabberwock is a giant dragon. Its eyes spit fire and it roars when it walks. It lives in dense forests and appears only in the evening.

2. Tell the story of the Jabberwocky in your own words.

Ans. It is late afternoon or early evening in a forest, and strange creatures are walking around and making strange sounds. A father tells his son to beware of the creature a Jabberwock, which hides in the forest and has sharp teeth and claws. He also cautions him against other scary creatures such as the Jubjub bird and Bandersnatch. The son sets out with his sword in search of these creatures. He finally finds and kills the Jabberwock, beheading it after a long and fierce duel. When he returns with the Jabberwock's head, his father is overjoyed.
